

THESIS CONSULTATIONS - DEADLINES
MSc in Computer Science / MSc in Computer Science for Autonomous Systems
MSc in Data Science

in case of taking the Final Examination in January /
in case of taking the Final Examination in June

Consultation	
Deadline	Topic
15 May / 15 October	Discuss the details of the Thesis Topic Registration Form, submit the form. Prepare a work plan for the thesis.
1 July / 1 December	Review of the bibliography 3 to 5 pages, app. 10 sources in the bibliography
10 September / 10 February	Detailed research plan Discuss the aims of the research, draw up exact research questions, plan how to achieve them. 3 to 5 pages
1 October / 1 March	Summary of the achievements of the research Ready-to-use software, performed measurements or tests, final methodology, answers for the research questions

The Thesis consultation subject is assessed on a 3-point grading scale:

- *Excellent*: the student fulfilled all the consultation milestones by the deadline.
- *Satisfactory*: the student does not follow the schedule of the consultation milestones, completes the thesis, but its level of completion fits the level of the last consultation milestone.
- *Fail*: the student will not fulfil the last consultation milestone until the deadline for administering the Thesis consultation grades.

10 November / 10 April	Presentation of the completed thesis to the supervisor It is not part of the fulfilment of the Thesis consultation subject, but necessary for uploading the thesis and sitting for the Final Exam. We recommend you to organize a trial thesis defence 1-2 weeks before the Final Exam.
------------------------	---

The deadline for administering the Thesis Consultation grade in Neptun in case of students who upload their thesis by **1st of December / 1st of May** is: **15th of December / 15th of May**. (After the opening of Neptun grade registration.)

In other cases, the deadline for recording the practical grade applies (**7th of January / 7th of June**). In exceptional cases, when the student was unable to complete the subject on time due to illness or other extraordinary proven problems, he may complete it until the last week of the exam period with the permission of the vice-dean.
